It has been a true blessing and pleasure to have been the recipient of KCPA scholarships over the course of my scholastic journey. It is hard to believe that graduation is this coming spring! Once again, KCPA has been there for me and their contributions to my education have made this journey so much better. As I recently opened my gift package, it flooded me with great memories of the kind, caring, and sharing people of the organization who I am truly honored to have gotten to know. KCPA is amazing and is a silver lining for those of us whose family situation has been disrupted and upended by a parent sustaining catastrophic work-related injuries. I just simply cannot be more thankful. My life has been much improved by the KCPA, giving me and my family the opportunity to focus more on my education and less on financial worry. The KCPA, its people, and generous sponsors have left a positive indelible mark and I am so grateful! ~ Chase F., St. Francis University Class of 2024
