

What Is Kids' Chance of Pennsylvania All About?

Our Mission

The mission of Kids' Chance of Pennsylvania, Inc. (Kids' Chance of PA) is to provide scholarship grants for college and vocational education to children of Pennsylvania workers who have been killed or seriously injured in a work-related accident resulting in financial need.

The hardships created by the death or serious disability of a parent often include financial ones, making it difficult for deserving young people to pursue their educational dreams.

How Do We Fund Our Scholarships?

Through Special Events

Over the course of each calendar year, Kids' Chance of PA holds several fundraising events which serve multiple purposes: to bring the community together, to raise scholarship funds, to introduce our students to our supporters, and to have fun! We hold Golf Outings in Hershey and Philadelphia, a 5K Run/Walk in Pittsburgh, Online Auctions, and more. Anyone is invited to participate in any of these events as a golfer, runner, volunteer, attendee, donor, or sponsor. Visit www.kidschancepa.org for more information.

Through Corporate and Community Partnerships and Scholar Sponsorships

With your donation as a Community Partner or Scholar Sponsor, your organization will make sure Kids' Chance continues to make the dream of higher education possible for deserving Pennsylvania students. Thanks to the commitment of our Corporate & Community Partners, 100% of donations from individuals will be directed to scholarship grants for eligible applicants. Please visit our website at www.kidschancepa.org to find out more.

Kids' Chance of PA by the Numbers

"I just wanted to write to express my gratitude! I recently graduated in May, and I could not have done it without this amazing scholarship. Everyone at Kids' Chance made me feel so incredibly seen and heard during a time that I wasn't even certain if I could financially afford college. As I think back to the summer before I started college, I remember being encouraged by the Scholarship's investment in me – which continued to inspire and support me through my four years!"

~Anna R. – Washington & Jefferson College '23
